

# IFT SLAB GOES TO COLLEGE IN The South

ARCHITECTS: LYLES, BISSETT, CARLISLE & WOLFF

A 520,000 square foot Student Dormitory built in record time at Clemson College, in South Carolina, is another part of the South's continuing program of building education and research facilities.

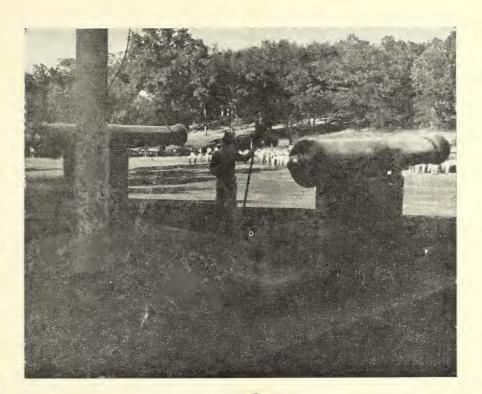

This revolution in building utilized the slabs for floors of the dormitory after lifting them to their appointed height. No framework of steel was needed—time and money were saved from the start.

But more than a revolutionary building is underway at Clemson a growing center of textile education is making it more attractive than ever for firms in any branch of the textile industry to select the South for their home for profits both today and tomorrow.

#### CONCESSION STANDS

Concession stands are located immediately behind the top row of seats on either side of the playing field. The stands handle soft drinks, sandwiches, popcorn, peanuts, candy, etc. Vendors will sell these items from the aisles, also.

#### **EMERGENCIES**

In an emergency of any nature, come to the back of the pressbox. Please remember however, that since important business is being conducted within the pressbox, only cases of strict emergency can be given consideration. Telephone is located in information booth.

#### RESTROOMS

Ladies' restrooms are located on both sides of the stadium on the east end. Men's restrooms are located on both sides of the stadium on the West end.

#### IN LEAVING

In leaving the stadium, please give utmost heed to the directions from the officers controlling traffic. Every care has been taken to move cars from the college campus in the most efficient manner and cooperation from drivers will speed up the process considerably.

#### The NEW Clemson

Those persons who have not been on the Clemson campus in several years are in for a shock when they make their current tour of the College. The real old timer won't recognize much more than the tower of the main building and John C. Calhoun's mansion, while visitors of as recently as five years ago will also find countless evidences at every turn of "a new Clemson."

Though almost everyone today thinks of construction at Clemson in terms of the new dormitories and the agricultural group, this rather phenomenal growth started back in 1950 with the building of the new steam plant without which none of the later buildings could have been utilized.

To keep up with advances made in farm mechanization and soil conservation the agricultural engineering building was built that same year replacing an old wooden barn which had been in use since 1910. Also completed then was the seed laboratory in which better seed for the farms of the state are developed.

The now famous Clemson House and its surrounding apartment units were completed in the fall of 1950 relieving a critical housing shortage among the faculty and staff members.

During the next year the chemistry building was built and equipped to afford facilities for all Clemson students who must take basic chemistry as well as for the chemistry majors who leave the college ready to take their places in the mushrooming chemical industry in the South. In the same period the textile building, completed in 1938, was fully equipped with the latest textile machinery and devices.

In the fall of 1952 the Olin Foundation of Minneapolis, Minnesota, gave the college \$445,-000 with which to construct a building to house teaching and research facilities in the field of ceramics. This move was made to help in developing South Carolina's relatively untouched, but potentially great, natural clay resources. Later the Foundation also provided \$180,000 to fill the building with the best ceramic manufacturing and testing equipment on the market.

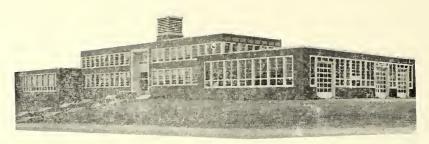

Completed this fall, the new dormitory project contains 1000 rooms to house two students each, a dining room to accommodate 4000, complete kitchen facilities, a spacious lobby, an information center, a visitors lounge, a student canteen, club rooms, a small cahpel, and a barber shop.

This structure with its five floors and 500,000 square feet of floor space is by far the largest ever attempted using the lift slab system and is the first of its kind in the Southeast. As such it has attracted much attention in the construction and engineering professions.

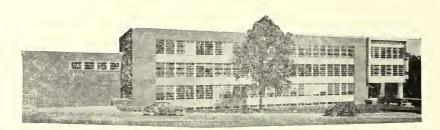

Work is now underway on the new agricultural group which when finished will contain a plant and animal science building, a food industry building, and greenhouses.

#### **HEAD COACH FRANK HOWARD**

With Peahead Walker and Herman Hickman out of the college coaching field, Clemson's Frank Howard wins the "biggest character" award hands down. Like fellow Alabaman Walker and Tennessean Hickman, Coach

Howard has thrived on a reputation as jokester, hill-billy and country bumpkin. A thick Alabama drawl has helped the effect.

In reality, however, Frank Howard is one of the nation's most successful coaches. He's in his 24th year at Clemson — 15th as head coach and athletic director. Two of his teams — 1948 and 1950 — went unbeaten and were ranked in the "top ten" by the Associated Press.

Between 1948-51, Howard-coached elevens earned three bowl bids, defeating Missouri for the Gator Bowl Championship on January 1, 1949, and whipping Miami for the Orange Bowl Crown on January 1, 1951. Miami beat the Tigers in 1952 for the Gator Bowl title.

A single wing expert for 22 seasons, Coach Howard changed to the T-formation in 1953 and was outgaining such veteran T-teams as Georgia Tech, Wake Forest and Auburn before the first campaign was over. A notori-

ously hard worker, he and his assistants just dug into the new formation and came up with several variations of plays that would gain ground and score touchdowns.

In addition to his duties as football coach, Frank Howard is also kept busy with chores as athletic director at Clemson. At a recent meeting of athletic directors, he embarrassed several in attendance by asking "What do you do when your athletic program loses money? I've never been in that fix but have often wondered."

The young Howard was reared in the Mobile Ala., area, attending the local high school where he made quite a name for himself as student, leader and athlete. He was considered too small at 180 pounds for Alabama but attended the University at Tuscaloosa anyhow and was soon making his presence felt in the line from his guard position. He was a first stringer on Wallace Wade's Rose Bowl team of the 1930 season, being called the "Little Giant" on the Crimson Tide's "Herd of Red Elephants."

Still very active, the Clemson mentor insists on coaching his linemen altogether, in addition to supervising the over-all practice. Until recently, he didn't mind demonstrating what he meant about blocking though wearing no shoulder pads.

Coach Howard is married to the former Anna Tribble of Anderson. They are the parents of two children, Alice 18, and Jimmy 12.

The Chiquola Manufacturing Company was founded in 1902. Through constant adoption of new ideas, new methods and modern machinery it has continued to grow and play an important part in the industrial progress of South Carolina.

During this long period of successful operation under the same management, Chiquola has produced more than ONE BILLION YARDS of cotton fabrics; it has purchased more than FIFTY-TWO MILLION DOLLARS worth of cotton from the farmers of the South; it has paid MILLIONS of dollars in taxes to the City, County, State, and Federal Governments; it has donated thousands of dollars to schools, churches, orphanages, and charitable organizations; and last but not least, it has paid more than TWENTY-SIX MILLION dollars in wages to the hundreds of fine people who have been on its payroll over the years.

Former CLEMSON MEN occupy important positions in our management and we are fully cognizant of the important part this outstanding institution is playing in the development of the South through the education of our leaders of tomorrow.

When autumn leaves are falling and the strains of Tiger Rag resound from the hills of the Blue Ridge, we lend our voice to the plaudits of the multitude with that old familiar refrain, "GO-TIGERS-GO"

#### CLEMSON-FURMAN RIVALRY DATES BACK TO 1896

It seems only fitting that Clemson's 1954 Homecoming should be marked by the renewal of the Furman football series following a lapse of two years. It goes back to 1896 — the year Clemson commenced football — and is second only to the South Carolina rivalry in number of contests played. Though the Tigers hold 24-10-4 edge in the 38-game series, fans of yesteryear will testify to the competition keenness in the majority of the contests.

Coach Bill Young brings a strong first eleven to Clemson this year—one which has

compiled a 5-2 record in winning over Newberry, Presbyterian, Davidson, The Citadel and North Carolina State and losing to strong South Carolina and Miami. Only real shortcoming of the Hurricanes has been inexperience of reserves. Coach Young has had to rely almost entirely on freshmen once past his first eleven.

Tiger Coach Frank Howard hopes his team will climb above the .500 mark with a victory. The Clemson record shows wins over Presbyterian, Florida and Wake Forest and losses to Georgia, Virginia Tech and South Carolina.

#### DON KING — 1953 FOOTBALL'S TOP SPORTSMAN

When Clemson quarterback Don King was tapped by the Boston Gridiron Club as college football's 1953 recipient of the Nils (Swede) Nelson Award for Sportsmanship, his coaches, teammates and opponents alike were unanimous in their approval.

Though one incident in the Wake Forest game was largely responsible for the Boston's Club's selection, Don's natural traits of sportsmanship and unselfishness also figured in the choice.

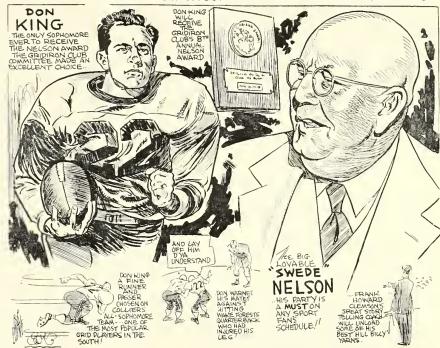

Praising his teammates for their blocking and tackling, helping an opponent to his feet, refusing to let the countless words of acclaim written about him change his unspoiled outlook, King is everyone's favorite.

The incident which won for him the Nelson Award (pictured in cartoon form at left) was as follows:

In the Wake Forest game, opposing quarterback Sonny George injured his knee and was stretched out on the field for several minutes while the Wake Forest trainer worked on him. Don King kneeled over George and talked to him during

most of this timeout, then returned to the Clemson huddle and told his teammates: "Listen, George has got a bad knee. If he gets hit on it again, he might not play any more this year or might even get hurt permanently. If you have to hit him again today, hit him high." The incident was told (and confirmed) by the Clemson regulars sometime later in the season.

#### The 3 T's that never vary

#### Taste

Carolina's Pride meat products processed in small batches, each batch carefully tasted—tested, insures fine flavor every time.

#### lenderness

Only choice, young, grain-fed porkers are selected to insure greater tenderness. Each small batch is rigidly tested before going to market.

#### exture

Just as in the cakes you bake, no meat product can be a real treat without fine texture. Each small batch must pass our strict texture tests before it is labeled Carolina's Pride.

#### DOUBLE YOUR MONEY BACK

Each time you buy a Carolina's Pride product, you must be completely satisfied. If and when we fail you, tear the label from the wrapper and mail it to us with a short letter telling us what you paid and why you are not satisfied. We'll send you DOUBLE your purchase price promptly. Carolina's Pride, Greenwood, S.C.

These popular Southern Franks, you see, are not mass-produced for the national market. Carolina's Pride Franks are processed right here in South Carolina—in small batches—which permits rigid control at every step.

What's more, the porkers are not a hodgepodge of all kinds of breeds from all over—each select pig is a special type, grain fed, and graded U.S. No. 1. The result is uniformity-always the same tempting flavor, always the same tender, lean meat.

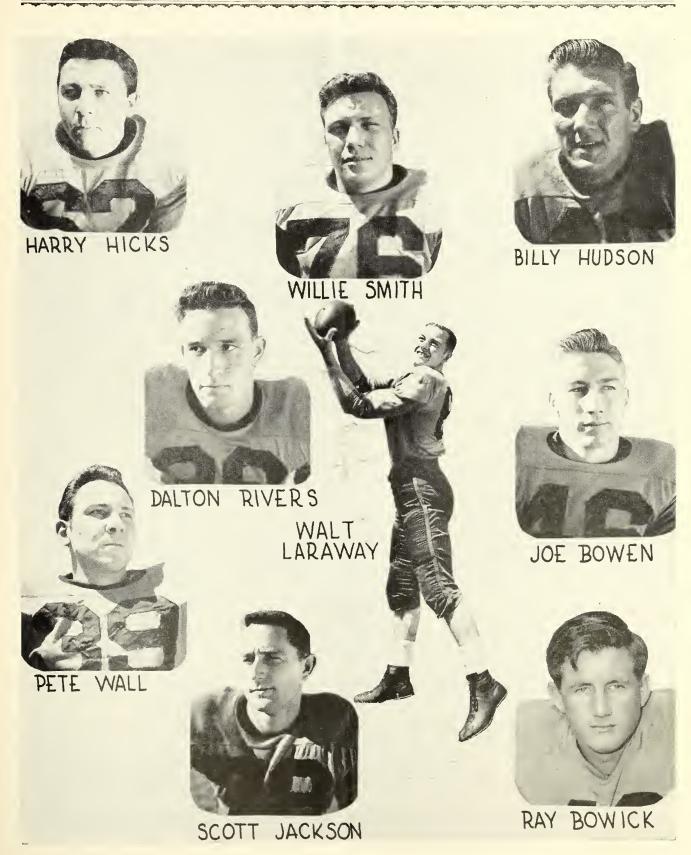

That's our promise. If and when we fail you, tell usand get your money back DOUBLE.

### CUBS WIN ONE, LOSE THREE; DUKE HERE SATURDAY

Clemson's 1954 Freshmen footballers have shown much promise in their four games this fall despite the compilation of only a one-three record.

The victory, a 19-6 one over Wake Forest last Friday night on Memorial Stadium turf, saw the Cubs put on their best show of the year—offensively.

Two of the losses were by scores of 14-13 — to North Carolina State in the season-opener and to South Carolina the Wednesday night before "Big Thursday." Both were played on the road. The Cubs had two last quarter touchdowns called back at N. C. State.

Only decisive setback came at the hands of Georgia Tech, 20-0, and actually the game played in Atlanta was even most of the way. The Baby Engineers blocked a punt to set up their first touchdown in the third quarter and used a pair of final quarter 80-yard runs from scrimmage for the other two.

In games to date, Cub Coach Banks McFadden has relied consistently on quarterback Gene Crocker, halfbacks Bob Wright and Fletcher Carter and fullback Olin Hunter for most of the backfield duty.

Crocker passed for two TD's against N. C. State to ends Wyatt Cox and Bill Few—and he raced 70 yards for another against Wake Forest. Carter scored once against South Carolina and twice against Wake Forest to share touchdown-making honors with Crocker. Reserve quarterback Bobby Fisher scored the other Cub touchdown at Carolina.

A quintet of ends have shown up well although that position was first considered the shallowest. Don Hendrix, Whitey Jordan, Billy Breedlove, Few and Cox have all excelled.

In the forward wall, Johnny Thomason and Jack Bush have started all games at tackle, with Jimmy Padgett and Charlie Lucas filling in; Bobby Giles, John Grdijan and Jim McCanless have done well at the guard positions; and at center, Talley Wright and Jim Pike have gained an edge on their rivals.

### Clemson is Rebuilding in Basketball

Clemson's basketball team took a nosedive last winter after experiencing better-than-average success over a period of five years, but Coach Banks McFadden has what he thinks will be the remedy in the near future — namely, promising talent.

McFadden, who was a first team, All-America selection in 1939 in sparking Clemson to the Southern Conference championship, has one of the nation's sharpest shooters on hand for varsity play this winter in Bill Yarborough. Other lettermen returning to action are Tommy Smith, Bruce Holzschuh, Buddy Shook, Barry Ryan, Ben Crosland, "Doc" Morgan, and Billy Riser.

Up from last winter's freshman basketball team are "Rock" Stone, Dave Bauman, Bill Landers and Don Shealy.

And among the incoming freshmen are several outstanding players. They include: Carl Reamer of Philadelphia, Pa.; Eddie Attenberger of Greensburg, Pa.; Billy Williams of Moundsville, W. Va.; Jack Yockel of Jersey City, N. J.; Eddie Moncrief of Moultrie, Ga.; Francis Brothers of Greenville, S. C.; Raymond Strock of Cope, S. C.; and Dick Yeary of Nicholasville, Ky.

Facing perhaps their roughest basketball schedule in history in 1954-55, the Tigers aren't expected to climb much; however, in the next year or two, Clemson should give a good account of itself on the hardwood.

### Clemson Football Network...

Only an expert radio announcer will be able to follow Clemson's tricky T-formation in 1954, so, naturally, Jimmy Coggins, dean of South Carolina's football play-

by-play commentators, was signed by the new Clemson Football Network to broadcast the Tigers' schedule.

Coggins, owner of Newberry Radio Station WKDK, is an old hand at doing the play - by - play of Clemson football games. He followed the Tigers with mike in hand through the 1936-37-38 seasons and was back with them again in 1947-48-49. In 1948, Jimmy was present for

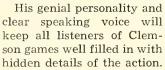

11 straight Clemson victories, including a thrilling 24-23 decision over Missouri in the Gator Bowl.

In more recent years, 1950-51-52, Coggins has done the play-by-play for Radio Station WIS and their "Game of the Week" broadcast. Last fall, the "dean" did the play-by-play of the North Carolina-South Carolina game in addition to many of the Newberry College contests.

Jimmy Coggins broke into radio 20 years ago with WSPA in Spartanburg, worked at WAIM in Anderson, at Cochran's Jewelry Store in Anderson and with Uncle Sam during World War II before going to Newberry as part owner of WKDK in 1949. He took over as full owner in 1952. Coggins has also been half owner of Union Radio Station WBCU for the past year and a half.

Ed Osborne, director of both the Clemson News Bureau and sports publicity office from 1947 through the spring of 1950, is one of the best qualified men in South Caro-

Osborne's radio experience consists of a three-year stay at Radio Station WMSC in Columbia as sales representative and sports director. Since early 1953, Ed has been co-owner, presi-

dent and manager of Radio Station WBCU in Union.

Genuinely interested in football and the fortunes of Clemson, Osborne was the natural choice to work with Coggins in broadcasting the Clemson schedule in 1954.

### Trailways takes you

TRAILWAYS THRU-LINERS

★ You board and leave your Trailways bus right in the heart of town—so simple and convenient for business or shopping trips. And what comfortable travel in these new buses! Air-suspension "springs"...deep, reclining scats

...cooled, constantly conditioned air. Trailways drivers are unexcelled in their record for safety... noted for their courtesy. Next time, go Trailways, and you'll see why it's known as the "Route of Southern Hospitality".
